

GRADUATE WITH HONORS

FROM HOXWORTH BLOOD CENTER

Hoxworth Blood Center is excited to give high school blood donors the opportunity to **graduate with honors**. This program acknowledges your act of being a lifesaving blood donor and rewards you with an **honorary Red Cord** to wear during your graduation ceremony.

You can qualify to receive a Red Cord by **making two (2) lifesaving donations** during your high school career. These donations can be made at your high school blood drive or by visiting one of our neighborhood donor centers.

You will be **automatically registered** in this program upon your first blood donation at your high school blood drive. Red Cords will be mailed to you in the spring prior to graduation.

If you are not eligible to donate, but volunteer at Hoxworth Blood Center or serve on your high school blood drive committee will also receive a Red Cord.

2 DONATIONS BEFORE GRADUATION = RED CORD TO WEAR AT CEREMONY
